Rust resistant track and hardware are constructed of hot-dipped galvanized steel.

Backed by **one year limited warranty**.

The Genuine. The Original.

Since 1921, Overhead Door Corporation has not only raised the standards of excellence for the industry – we've created them. Overhead Door created the original overhead door in 1921 and the first garage door opener in 1926.

Today, over 400 Overhead Door Distributors are still leading the way with innovative solutions and unmatched installation, service and support. So look for the Red Ribbon. It's your guarantee that you're getting the genuine, the original Overhead Door.

One Year Limited Warranty

Overhead Door garage doors are backed by a 1 year industry-leading limited warranty.*

* Warranties vary by model series and are available upon request. See full text of warranty for details.
